It's Christmas Time

Merry Christmas! I've assembled a boat load of gift ideas for you. We have went though the store and found 4-7 things you can give to those special people on your shopping list this year. We have broken the gift ideas in to five categories to make it easier for you to find that perfect gift.

If one of my gift suggestions is of interest to you, simply come on in the store (at 3rd & Main in Hugoton) and pick it up. We can even gift wrap it for you before you go!

Be sure to complete your own Christmas Décor. You will be able to find a new nativity set (a good family heirloom), or some nice decorations for your tree. We have just received our shipment of real cut Christmas Trees, and Poinsettias will be arriving in early December!

Thanks for your support and Merry Christmas!
